

JOIN US

Create the right account for your music journey.

Attendees can book shows, while organizers get tools for publishing events and managing guests.

Attendee: bookings, tickets and comments

Organizer: events, participants and announcements

One form, different account type

Create account

Already have an account? [Log in](#)

Account type

Attendee

Book tickets, post comments and manage your bookings.

Organizer

Create events, track participants and send announcements.

The selected account type is sent to the backend as `account_type`.
